

Our Happy Brides & Grooms Said...

"Saying our experience with Big Fish was beyond perfect is a serious understatement. From the quality of the food to the service they provided I can say without a doubt was spectacular. No details were missed at all. They were there early to set up and stayed late to help clean. We dealt with Susan for the most part and she was awesome. The servers were great and on top of everything. The food was hot and delicious and the mini dessert table we did was a huge hit. The quality of the food was amazing and everyone that attended our special day raved about how great everything was. I will always recommend Big Fish to anyone looking for catering for any event from weddings to holiday parties the staff at Big Fish knocked the ball out of the park!"

Big Fish Grill is a fantastic catering option for any Delaware wedding. They were extremely flexible with the menu and allowed us to personalize it to actually fit our budget. They also allowed us to purchase our own alcohol for the event and bring our own desserts, which helped us save a ton of money. In addition to being affordable, the food was actually delicious! We received a lot of compliments from our guests for the food; everyone seemed to enjoy it.

The entire experience was very positive. They helped us work out an amazing menu. The waitstaff was extremely professional & helpful. The food was absolutely perfect! I would definitely recommend them. If the opportunity arises, we will surely use them again.

I was going to reach out to you myself today to let you know what a wonderful wedding and experience we had at Salt Air. The guests raved about the food, which is always outstanding! And the service was wonderful! I felt very welcomed when I came for set up by Laura and the staff. They were quick to help with whatever I needed and they were very pleasant company. I had an outstanding experience and will be placing Salt Air on the top of my list for recommendations for clients if they are having small receptions or if they are in need of a rehearsal dinner location. Please thank your team for me on a tremendous night; the family couldn't have been more pleased with the evening.
